Not in attendance. She has a list of people separated by gender. There is an orientation on June 24 at New Connections. Cyndi has received a phone call so the phone line is working.
- D. H & I Report** **Discussion** **Gray**
John had reports for two facilities. He has not heard back from Crossnor. Forsyth is open for a meeting anytime or day. Kirk is willing to chair the meeting and requested to find out how often they want us to have a meeting. He also knows a couple of willing people who will join his meeting. Tamara requested to also be a part of the meeting. Debi received an email from the Wellness Center in Davie at 142 Gaither Street, Mocksville, NC 27028. The email was a request to have an NA meeting in their facility. She does not know if it is a regular meeting or H&I. The Wellness Center sent questions for her to answer. Kirk suggested that we decide at PR how to handle the meeting rather than take it to Area. In addition, he mentioned that there is no good area in the Wellness Center to have a meeting due to the building layout. Cyndi suggested we add the Wellness Center to our outreach list. Leanne will check and add it if necessary.
- E. PI** **Discussion** **Cyndi**
She has another contact at Hearst TV and pitched the idea to the news station of offering information regarding recovery when they have programs regarding addiction. She has requested a call back and so far, has been unsuccessful at getting replies. She requested the call back to occur before the June meeting. She talked to Doug from the World meeting and requested that he find out information about how we should be represented. Kirk talked to a cameraman and he could request recovery be mentioned when discussing the disease. He believes that recovery is not mentioned because it would take money away from spa like recovery treatments.
- F. Special Projects** **Discussion** **Paul**
Not in attendance. John asked about the \$100 requested for the learning day. Debi informed him that we have a budget for learning day totaling \$600 and we typically pay for learning day. Cyndi explained what

a learning day is for the newcomers in the meeting. Nate informed the group of an Area motion about a Service Learning Day combined with PR, the motion was tabled until June.
